Apart from the various academic items discussed and reported in the above proceeding of the fourth meeting of academic council; one excruciating incident as briefly described herewith occurred in the same meeting at around 11.00 to 11.15 am in the presence of all members. "Prof. Dr. Y. U. Sathie; Assistant Professor in Mechanical Engineering all of sudden entered in the meeting hall and started his saying arrogantly to the Principal (Chairman, AC)

AC4/MOM/(8/378)

without his prior permission in non-parliamentary language, aggravating voice and misbehaved with the Principal. He thrown away and broken the Principal's breakfast plate, scattered the Principal's papers and continued his saying in the same manner. Hon member Prof. Dr A. M. Mahajan and Prof. Dr. R. J. Ramteke tried to calm down him and requested to speak and behave properly to maintain the decorum of meeting. In addition; they also suggested him to discuss his matter after that meeting. But still he continued saying and warned all the members to put in trouble to all of them in future and left the meeting hall after around 15 minutes". This way he disturbed the meeting and therefore during that time meeting transaction was stopped.
