## Welcome to all newly admitted First Year B.Tech Engineering Students of Academic Year (2024-25)

Dear #FutureEngineer,

It is with immense pleasure and enthusiasm that, we extend a warm welcome to each one of you for joining at **Government College of Engineering, Jalgaon (an Autonomous Institute of Government of Maharashtra)**.

Today is the beginning of an exciting chapter in your lives, and we are thrilled to have you as part of our academic family. Firstly, congratulations on securing a place in our esteemed engineering programme. Your hard work, dedication, and perseverance have brought you to this significant milestone, and we are proud to have such talented individuals joining us

As you step into this new journey, you are not just entering a classroom or a laboratory; you are becoming part of a vibrant community committed to academic excellence, innovation, and personal growth.

Before the start of actual academics (Theory & Lab), you have to undergo the **“Induction Training Program”** and **attendance is mandatory for it. Participation in the “Induction Training Program” is a compulsory requirement for all newly admitted students. This is essential as part of your degree and in accordance with AICTE (All India Council for Technical Education) norms.**

This program is not merely a formality but a vital foundation that will help you to adjust with the new environment and set the stage for a successful academic career. Here, you will have the opportunity to learn from distinguished faculty members who are experts in their fields and passionate about guiding you through your educational journey.

We look forward to meeting you at the Induction Training Program with your presence and active involvement. Dress code is casual, but please dress appropriately. Parents are not allowed. Please bring a copy of your admission letter on the first day.

Thank you.

**Important Note** – The Detailed schedule of **“Induction Training Program”** will be shared very soon on Official Whatsapp group.
